This morning we left Knowythe, accompanied by Govarsor Brownlow, and through the lindness of Cot. Corbin, with the band of the 14th U. S. C. far. It is certainly a novelry—a black band with silver instruments—well trained and discoursing sweet master. This is the band which the sweet senited druggists at Uncitonant reduced to allow, after they had seramined Gen. Burnside, its refresh themselves with soda water in their store or out of their glasses.
